

AIR CHARTER SERVICES

Logistics Plus® offers a wide variety of air charter services around the world. Contact us today for more information.

WHY CHOOSE LOGISTICS PLUS?

The dedicated LP Aero™ team – led by seasoned industry veterans – has relationships with all the top air cargo carriers. Our air charter services are perfectly suited for any critical shipment need including aerospace, automotive, generators, heavy heavy-lift, helicopters, healthcare, medical, oversized, oil & gas, pharmaceuticals, PPE supplies, project cargo, transformers, and more!

An air charter involves getting an exclusive aircraft booked from a specific origin to destination for your cargo needs based upon your time frame. By choosing Logistics Plus you gain:

- Access to our global network of resources ensures the equipment you need is available when and where you need it
- Exclusive use of the optimal aircraft matched to your shipment's needs
- The most direct and fast option for your urgent shipments
- Virtually no limitations on shipment size or location
- 24/7/365 customer service and support from our international staff

LOGISTICS PLUS AIR CHARTER SERVICES

Logistics Plus has the global air charter expertise you need for your most critical cargo shipments. Air charters are designed to fill the gaps of traditional scheduled service from air freight providers.

TYPES OF AIRCRAFT WE SOURCE

- Nose-loading freighters
- Rear-loading freighters
